Marriotts Way Learning Zone from November

Marriotts Way Learning Zone and ATL Grades:
These are from the November report and will be updated in the March report.

Mock Grade:
This is an indication of what the student achieved in the mock examinations in November. They do not factor in any NEA or Coursework for the subject.

End of Course Prediction:
Teacher's predicted grades are based on a student's performance in assessments, examinations, homework and classwork. Predictions are not a guarantee; they should always be treated as indicators/estimates of what the teacher feels the student will achieve, and the accuracy fluctuates depending upon the achievement of all students nationally. The two-grade spread: with the first grade being the most likely, e.g. GCSE 4-5, shows the teacher predicts the student is most likely to get a GCSE grade 4, but may achieve a GCSE grade 5.

BTEC Business/Enterprise, IT, Health & Social Care and Sport:
In these subjects students will have completed their final component in the first/second week of January, therefore predictions are not updated from September. Provisional results for these courses should be available from the first week of April.

January 2025

Kayra Aslan 11B

Dear Kayra / Parent

Firstly, congratulations on your hard work and effort when preparing for and delivering your Spoken Language Endorsement in the summer term of Year 10.

Your English Language GCSE has an endorsed component covering spoken language. This endorsement is reported as a separate grade (Pass, Merit, Distinction or Not Classified) and will not contribute to the result of the GCSE English Language qualification.

After a rigorous process, we have now concluded the **internal moderation** of the English Spoken Language Non-Examination Assessments. We are delighted to inform you that you have been awarded the **provisional grade**: **P**

Although this endorsement has been assessed by us as an individual centre, every school is required to provide audio-visual recordings of a sample of candidates to the exam board for external moderation purposes. Therefore, this grade could be subject to change up until the exam results are published in **August 2025**.

You are however, entitled to request a review of the grading if you wish and an explanation of this process from the examination board is attached to this letter. This must be done BEFORE grades and the sample are sent to the AQA examination board.

The deadline for requesting a review of marking is: **Friday 14th February 2025**. To do so, please email your request to a.mercer@marriotts.herts.sch.uk.

Please note: If you have a result reading A and were absent, your teacher will prepare you to complete the assessment over the next half term.

Yours sincerely,

Miss Ashley Mercer

Ass. Head of English, Media & Film
